TRYOUT INFORMATION:

The Washburn Rural Middle School volleyball program is designed to allow the coaches to work with all athletes at their appropriate skill level, thus providing an opportunity for all athletes to participate and be successful. The volleyball program will consist of two interscholastic teams (A and B) for each grade level. An intramural program will also be available for girls not selected for the interscholastic team. Coaches look for many qualities during the tryout period: coachability, attitude, teamwork, hustle, ball control, overhand serving, etc. In addition to the coaches, we will have other evaluators (previous coaches and teachers with a volleyball background) to help out during tryouts.

Remember: all participants must have a signed KSHSAA physical (dated no earlier than May 1st, 2022) concussion, consent and emergency forms on file with the athletic department by Friday, August 5th. Forms received after August 12th may not be processed in time for tryouts.

In order to reduce the number of athletes in the gym at one time, we will hold tryouts in two groups according to the athlete's last name (see schedules on next page). This will allow coaches to get a better look at each athlete during the assessment period. Both 7th & 8th Grade will have a preliminary selection of athletes and then a final selection of teams will be made after the conclusion of the last day of tryouts. *Tryouts will be closed to all parents/spectators.*

SEASON INFORMATION:

If you are selected for the interscholastic team, it is the policy of Washburn Rural Middle School that students who make the school's interscholastic team may not miss a practice, game, or a tournament due to their participation involving another sport outside of school. Consequences for missing practice or play dates will be given and may result in the student being held out of future games or even dismissal from the team. **PLEASE make your decision to fully commit to the team before tryouts begin!**

The first practice for the interscholastic teams will be the day following the conclusion of tryouts for each grade. If you do not make the team and want to join Intramurals, they start on Monday, Aug. 22nd and end Friday, Sept. 23rd. Their full practice schedule is on the volleyball website.

Practices are held directly after school from 3:00-4:30 throughout the season. Games are held after school and on multiple Saturdays throughout the season. Refer to the schedules on the school or volleyball website for those dates. A detailed practice and game schedule for all teams will be issued to the athletes at the first practice. "A" and "B" teams are not divided until later in the season.

TRYOUT SCHEDULES:

At ALL tryout practices, please wear the following attire: t-shirt with last name on the back in 3-inch-high letters (black magic marker is fine), shorts, athletic shoes, bring a water bottle, and remove all jewelry. Please attend tryouts according to the student athlete's LAST name.
